

Ardmore™ Cherry Cabinetry

Shown in Storm and Espresso finishes

The alluring beauty of Ardmore's classic solid cherry wood is masterfully fashioned with a flair of modern day trend-on styling. The ever-popular Shaker style door features a solid cherry reverse raised panel that can be found only in high quality cabinet makers' furniture. Ardmore's wide stile and rail door frame makes a bold statement of elegance.

Ardmore Cherry Cabinetry – Ardmore's 3/4" thick solid cherry door frames are assembled with five-piece mortise and tenon joints, just like the craftsmanship found in fine furniture. The Shaker style flat panel-in-frame is constructed of genuine solid cherry wood that produces a consistently uniform look in color and graining patterns. Available in full overlay square doors and 5-piece drawer fronts. Decorative hardware is required.
