**Ardmore Rustic Alder Cabinetry** – Ardmore's 3/4" thick solid alder door frames are assembled with five-piece mortise and tenon joints, just like the craftsmanship found in fine furniture. The Shaker style flat panel-in-frame is constructed of genuine solid rustic alder wood that produces a consistently uniform look in color but varies in grain and knot patterns. Available in full overlay square doors and 5-piece drawer fronts. Decorative hardware is required.
