**Hargrove Birch Cabinetry** – The Hargrove 3/4" thick solid birch door frames are assembled with five-piece mortise and tenon joints, just like the craftsmanship found in fine furniture. The recessed flat center panel-in-frame is constructed of genuine birch wood veneer. In addition, Hargrove's standard reveal door features a eased edge profile on the top and bottom of the door frame. The slab drawer fronts are 3/4" thick solid birch. Decorative hardware is available but not required.
