

Touraine™ Birch Cabinetry

Shown in Mocha finish

Touraine's classic door style, named after the French Loire Valley wine country, is constructed in traditional birch. The detailed raised panel door design allows for flexibility in personal fashion. Eclectic, traditional, or country French, the choice is yours with the Touraine door style.

Touraine Birch Cabinetry – Touraine's 3/4" thick solid birch door frames are assembled with five piece mortise and tenon joints. The raised center panel-in-frame is constructed of furniture quality genuine birch wood veneer. Touraine's standard reveal door features a single step edge profile. The softly rounded edges are repeated as well in the 3/4" thick solid birch drawer fronts, available in either slab or 5-piece construction. Enamel painted Touraine doors may have an MDF raised center panel. Decorative hardware is available but not required.
