

NATIONWIDE MANUFACTURER OF KITCHEN AND BATH CABINETS  
SINCE 1937

The following is to certify that KITCHEN KOMPACT, INC. is a member of the Kitchen Cabinet Manufacturers Association.

Enclosed are the recommended standards (ANSI/KCMA A161.1-2000) that all kitchen cabinets must adhere to in order to be approved by governmental agencies. Kitchen Kompact cabinets meet or exceed these standards and have been certified by the K.C.M.A and also independent testing laboratories.

Kitchen Kompact cabinets meet HUD's Minimum Property Standards, Housing 4910.1, paragraph 611-1.1 as well as F.H.A. recommended standards.

As to a certification letter on our stickers, please see below. Kitchen Kompact's letter is "I".

If any additional information is needed, please do not hesitate to contact us.

Sincerely,

KITCHEN KOMPACT, INC.
