

Online Catalog

We will be launching a new online catalog called - PartnerView. In addition to real time pricing and availability on all of our stock products, you can also:

1. Place orders & quotes
2. Check on open orders & quotes
3. Look up and print invoices / credit memos
4. Look up and print signed delivery tickets

AGILITY | PARTNERVIEW

You can have one user account that all your employees use to access the website or you can have multiple user accounts. You can also specify which functions you want each user to have access to.

With setting up an account for your store there is some information we need from you. Please fill in the below information. If you need more space, use the backside of this sheet. **Note: the Password IS case sensitive.**

Company: _____

Personnel Name: _____

*User ID: _____ *Password: _____ *(12 character max on both)
