Special considerations:

- a) Doors that are warped 1/4" or less must be allowed to hang through two (2) seasons (ex. Spring, Summer) before replacement will be made. Typically, the door will return to its normal flat position after conditioning to its environment. Prior to requesting a replacement, please be sure that the problem is not an installation deficiency.
- b) Finish deviations must be inspected by an authorized Wellborn Forest representative. Determination will be made following the inspection whether to repair in the field or to return the product to the factory for refinishing or replacement. No field repair may be made without approval from Wellborn Forest.
- c.) Stain variations: Since no two trees are the same, wood is a unique material with natural variations in grain, texture, and color. These variations may also cause considerable differences between old samples and new cabinets. Please Note: Newly produced cabinets will never be the same color as aged samples or cabinets.
- d.) Mitered doors: Mitered doors allow a .012" joint gap 1" from inside bead. Mitered doors are not warranted against joint separations that occur as a result of high humidity or moisture conditions. Painted finishes are not recommended on mitered designs.
- e.) Veneered Panels: Veneered panel doors are not guaranteed to match solid wood framing on the same door in either the raw or finished state. Veneers will absorb stain differently than solid wood. The mismatch of solid and veneers is not considered defective.
- f.) Single panel, five-piece doors and drawer fronts that exceed 22" wide by 44" high in either single or multi-panel products are not warranted against expansion, warpage, cracking or open framing joints.
- g.) Thermofoil doors: Delamination - 1 year warranty; Color of door - 5 year warranty
- h.) Some replacement parts are subject to availability and may differ from those originally supplied as part of our ongoing product development process.

No dealer or agent of Wellborn Forest Products has any authority to change or enlarge the above warranty or Wellborn Forest Product's responsibility.
