Introducing the Marquee™ Railing System from TAMKO®

Custom look

The Marquee™ Railing System is TAMKO's most premium railing product ever. Made with a durable coextruded formulation, the system creates a low-sheen appearance for more authentic wood beauty. Distinctive post caps, rings and brackets, designed with a hammered-metal look, complement the natural beauty and convey a truly handcrafted effect.

- Available in White, Shadow Grey, Cappuccino, Dark Walnut and Burgundy Wood for extensive design freedom
- Post caps, rings and brackets available in traditional White or Pewter, Bronze, Black or Weathered Copper for a hammered-metal look
- 5" x 5" post creates classic, bold appearance

Installation ease

The Marquee Railing System has also been specifically designed for easy installation. The product is packaged in kits for greater convenience. And small details, such as brackets with easy access for attachment, further help speed the installation process.

- Packaged in kits for convenient ordering and installation
- Pre-routed holes for quick and accurate installation of balusters
- Clear access to brackets for easier drilling
- Three different types of brackets accommodate a wide variety of applications
- Unique post sleeve components designed to flex for secure installation over 4" x 4" treated posts
