MR Credit 5.1: Regional Materials

MR Credit 5.2: Regional Materials

MFM Building Products Corporation *Roofing Underlayments and Water Resistive Barriers*' materials are manufactured in Coshocton, Ohio (43812) in North America. If this location falls within a 500-mile radius of the project site, then these materials, or a portion of the materials, can contribute to earning Materials and Resources Credit 5.1 and Credit 5.2.

EQ Credit 4.2: Low Emitting Materials, Paints & Coatings

EQ Credit 4.2 pertains to products that are to be used in the interior of a building. MFM Building Products Corporation *Roofing Underlayments and Water Resistive Barriers*' materials are applied onto the exterior of a structure and therefore would not contribute to this credit.

If additional information or clarification is required, please contact me or your local MFM Sales Representative.
